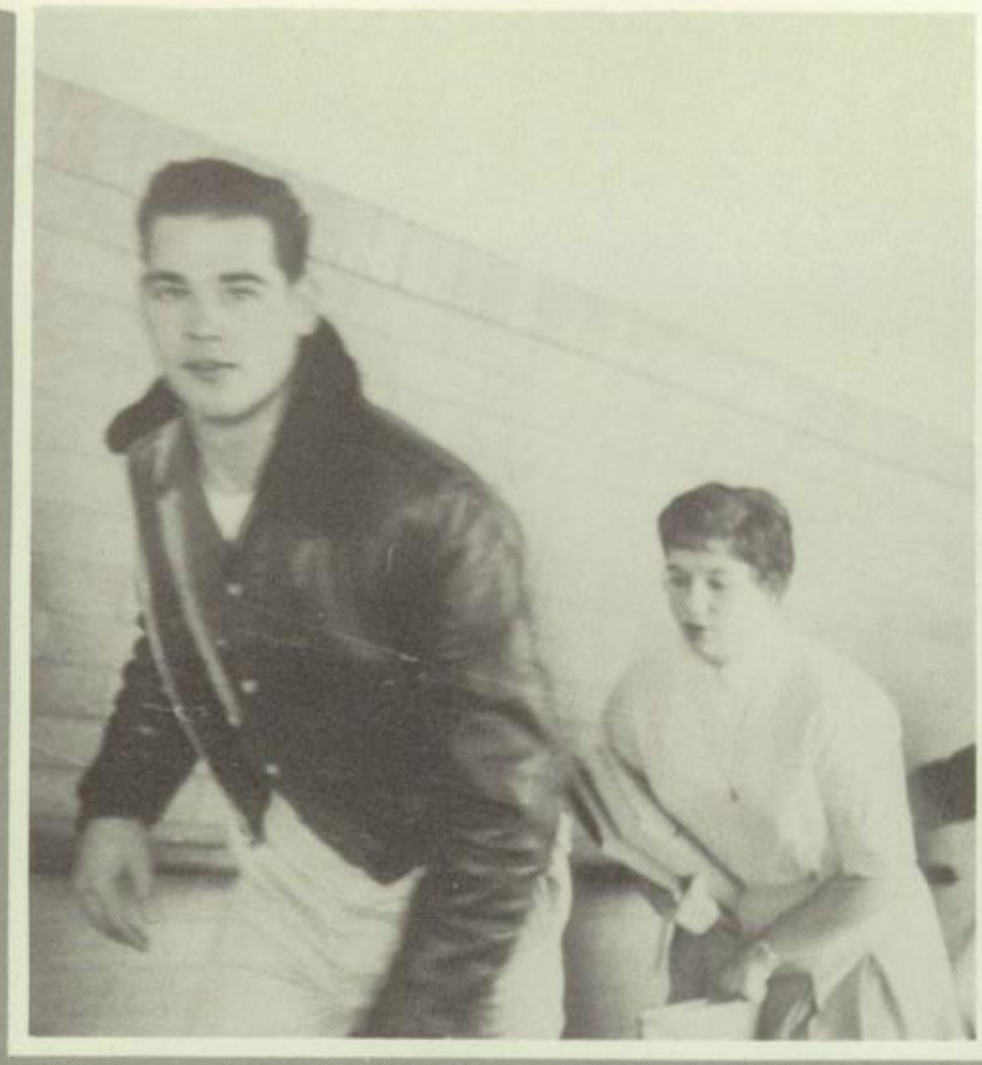
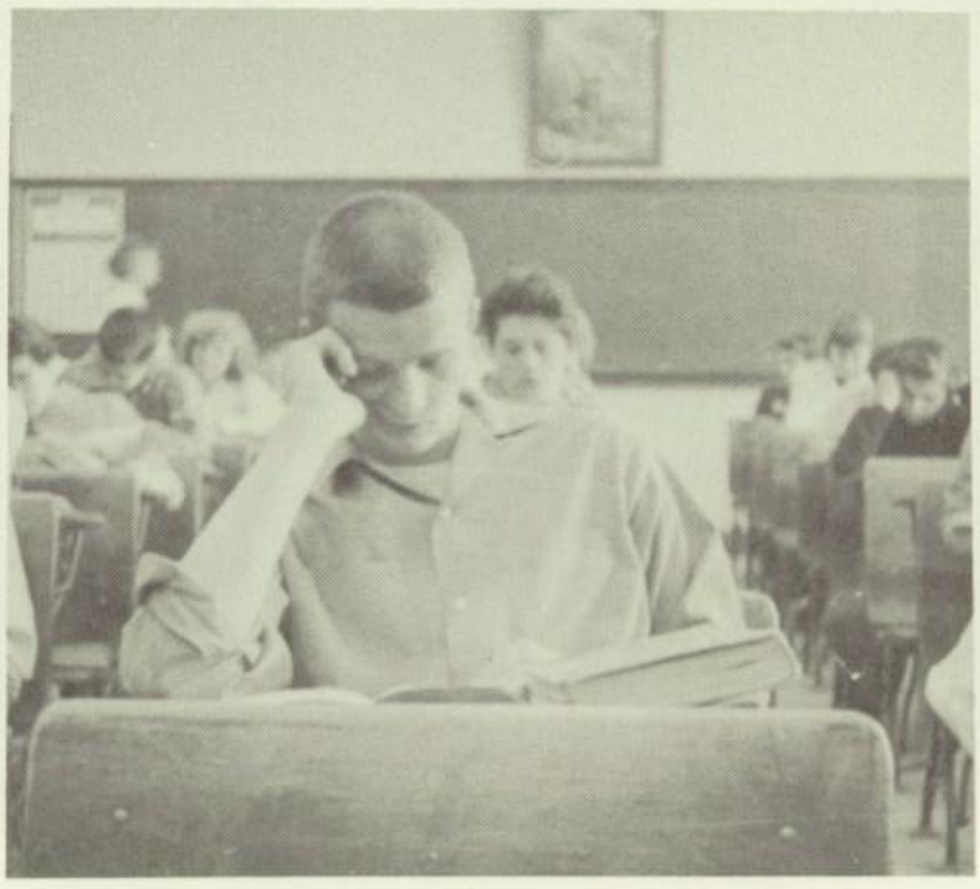
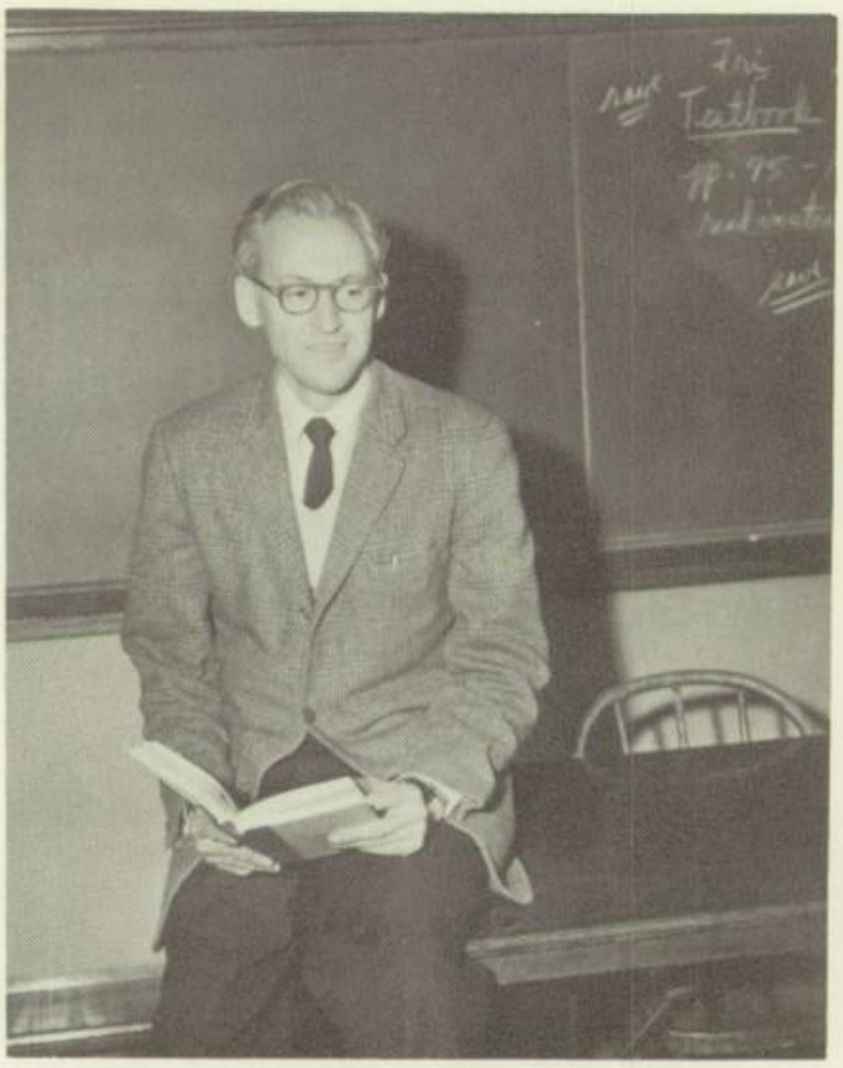
OF 1960





KENNETH R. STANLEY



One of the best things that can happen to a Manistee High School student is to be assigned to English in C-8. Mr. Stanley's approach to American and English Literature is stimulating and unique. For several minutes after the period begins he sits quietly, then slowly rising he says, "We will discuss this lesson, first generally and then specifically—with your books closed." Mr. Stanley is not satisfied to skim the surface, but instead he delves into the motivation, style, and effectiveness of each author. What better preparation can a student have for college English? Mr. Stanley is head of the English department and has taught at Manistee High School for several years. He earned his B.A. at Grinnell; his M.A. at Drake University. In addition, he has done graduate work at Michigan State University.

We proudly dedicate the 1960 Manichigan to Mr. Kenneth Stanley.

PETOSKEY

The Manistee Chippewas opened the 1959 football season with their outstanding victory over the Petoskey Northmen, 40-7. Gordon Ogilvie led the Chips in their victory by scoring 3 TDs. Don Cerderholm, Manistee's ground-gaining Fullback, scored 2 more, and Quarterback Norm Radtke scored the remaining tally. This victory was only the beginning of the many more to come for the "Surprise Team of the North."

Varsity Action

BIG RAPIDS

For their first conference win of the season the Chips trounced the highly ranked Big Rapids Cardinals, 34-14. Manistee did a superb job, both offensely and defensely on the rain soaked Cardinal field. The half-time score was an astonishing 27-0, and another TD by Radtke in the third quarter pushed in to 34-0. Two TDs by Big Rapids brought the final score to 34-14. The leading scorers for the Chips were Radtke, Cederholm and Carmody.

ALMA

The Manistee Chippewas, who were not too highly rated in the conference, shocked the football world by whalloping the favored Alma Panthers, 38-0, before a Manistee Homecoming crowd of 1700. The first quarter saw Manistee with a 20-0 lead, and the half-time score of 32-0. The only TD to come in the second half was on an electrifying 90-yard run by Junior Fullback Don Cederholm. Cederholm had a total of 3 TDs with Radtke, Ogilvie, and Palamondon scoring the remaining tally.

Varsity Action

LUDINGTON

The winless Ludington eleven was no match for the rampaging, undefeated Chippewas. The Chips, scoring almost at will, set a new record by licking the Orioles, 60-14. The score at half-time, 27-0, indicated the Chips' early control of the game. Hansen and Cederholm scored 3 TDs each, while Capt. Carmody added two, and Mucha, one.

CADILLAC

For the first time in the season the Chippewas were held to a scoreless first half. In the second half the Chippewa eleven sprang loose and scored 24 points. The Vikings gained only 5 yards in the whole game, leaving the final score, 24-0. This hard-earned victory, played on "a sea of mud" gave the Chippewas at least a share of the N-C Conference crown. Scoring for the victors were Cederholm, with 3 TDs and Ogilvie, with one.

Varsity Action

MT. PLEASANT

The most surprising game in the state took place in Mt. Pleasant, October 30. The underdog Oilers upset the No. 1 B Team in the state, the Manistee Chippewas, 14-13. The Oilers, encouraged by a TD on their first play of the game, kept the Chips in check for the rest of the game. It was a lost battle of time for the Chippewas; they had numerous scoring chances in the last few minutes of the game, but couldn't overcome the fast Oiler eleven. Scoring both TDs for the Chips was Cederholm.

ST. FRANCIS

The Chippewas bounced back from their shocking upset the previous week to defeat the T.C. St. Francis Gladiators, 7-0. The Gladiators held the Chips to their lowest scoring game of the season. The lone TD of the game came from Ogilvie on a fine 50 yard punt return. This victory was the last home game for 14 Seniors of the 1959 Co-Champs.

Varsity Action

NORTH MUSKEGON

In their final game of the successful 1959 season, the Chippewas, playing in five inches of snow, defeated the North Muskegon Norsemen, 12-0. After a scoreless first period, the Chips marched 52 yards in the snow for a TD, scored by Capt. Carmody. Terry Hansen made the other on a spectacular 67 yard run. Thus, the Chippewas ended their 1959 football season with a record of 7 wins and only one loss.

Reserve Team

In the 1959 season the reserve football team won four of their seven games. Despite the superior opposition, the reserves showed fight and determination. The team gained valuable experience for their future years in M.H.S. Football.

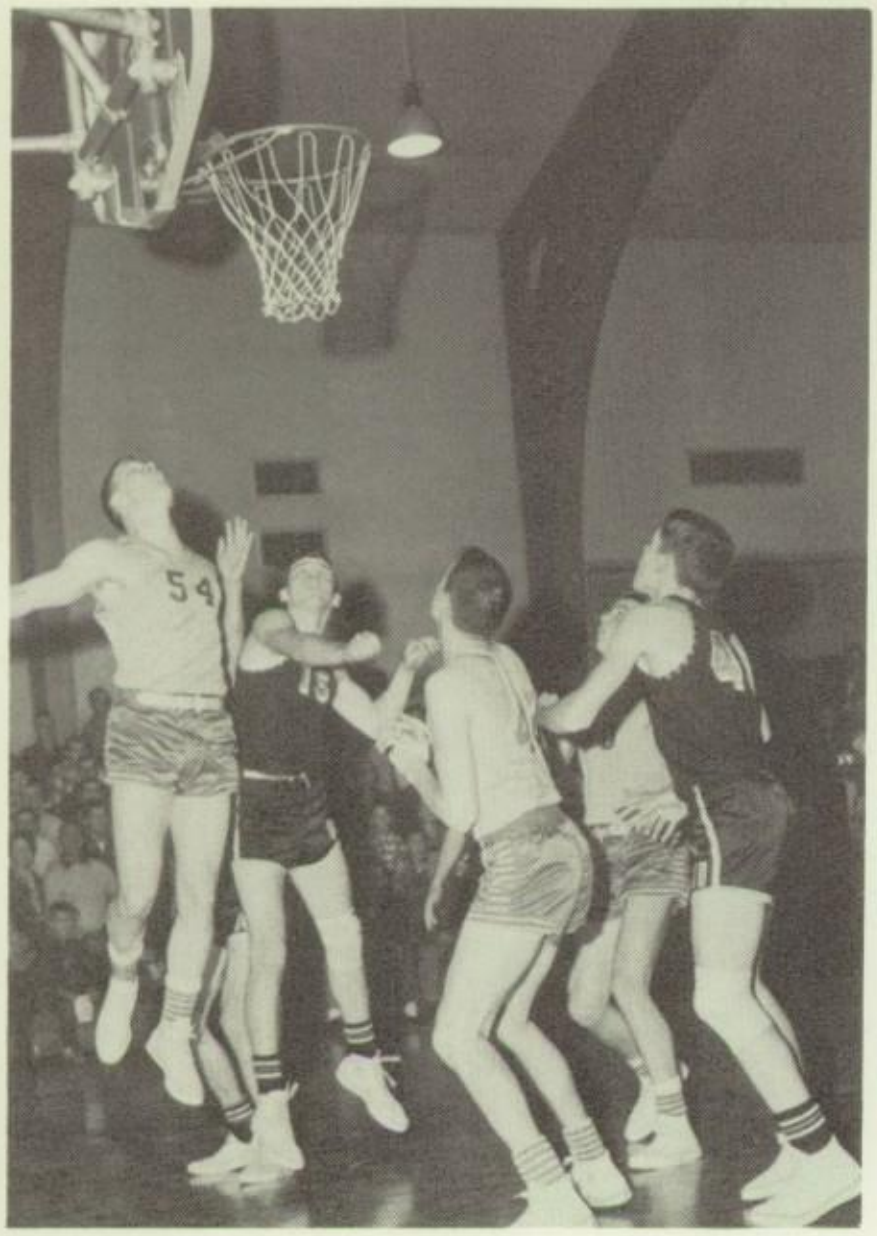
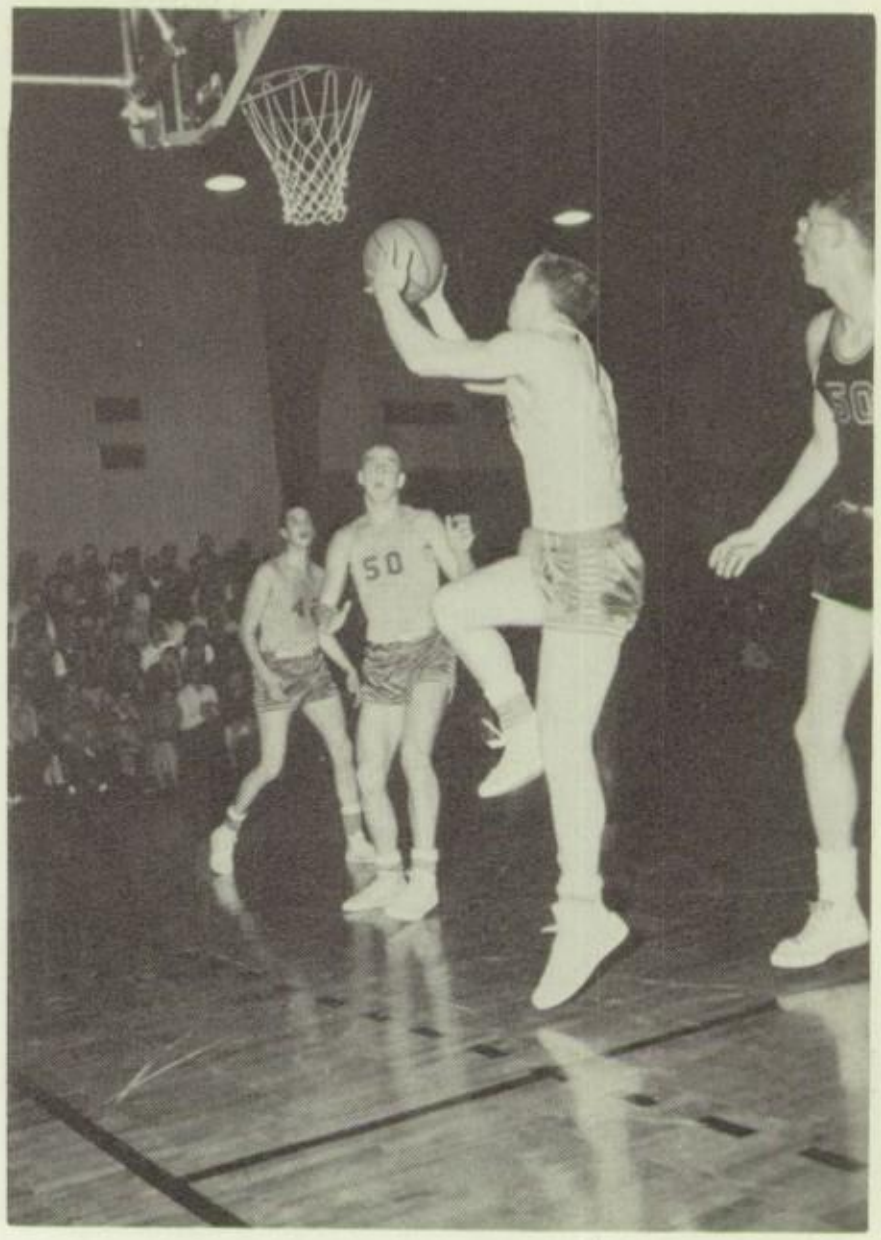
BASKETBALL





Manistee had a very successful year, having won 14 games while only losing 3. The three losses were to Ludington, who were the No. 1 Class B basketball team in the state. Manistee averaged 62.5 points per game, while holding their opposition to only 48.9 per game. Ogilvie was top scorer, with a total of 366 points for an average of 21.5 a game. He also broke the school scoring record for the most points per game and the most points per season. Behind Ogilvie was Radtke with 183 points and a 14.2 game average. Next high was Johnson with 157 and a 9.2 game average. The other main players for the Chips were Bosschem, Dahlquist, and Lynch. High in the rebound department was Johnson with 215 followed by Ogilvie with 190 and Lynch with 105.

Alma December 4

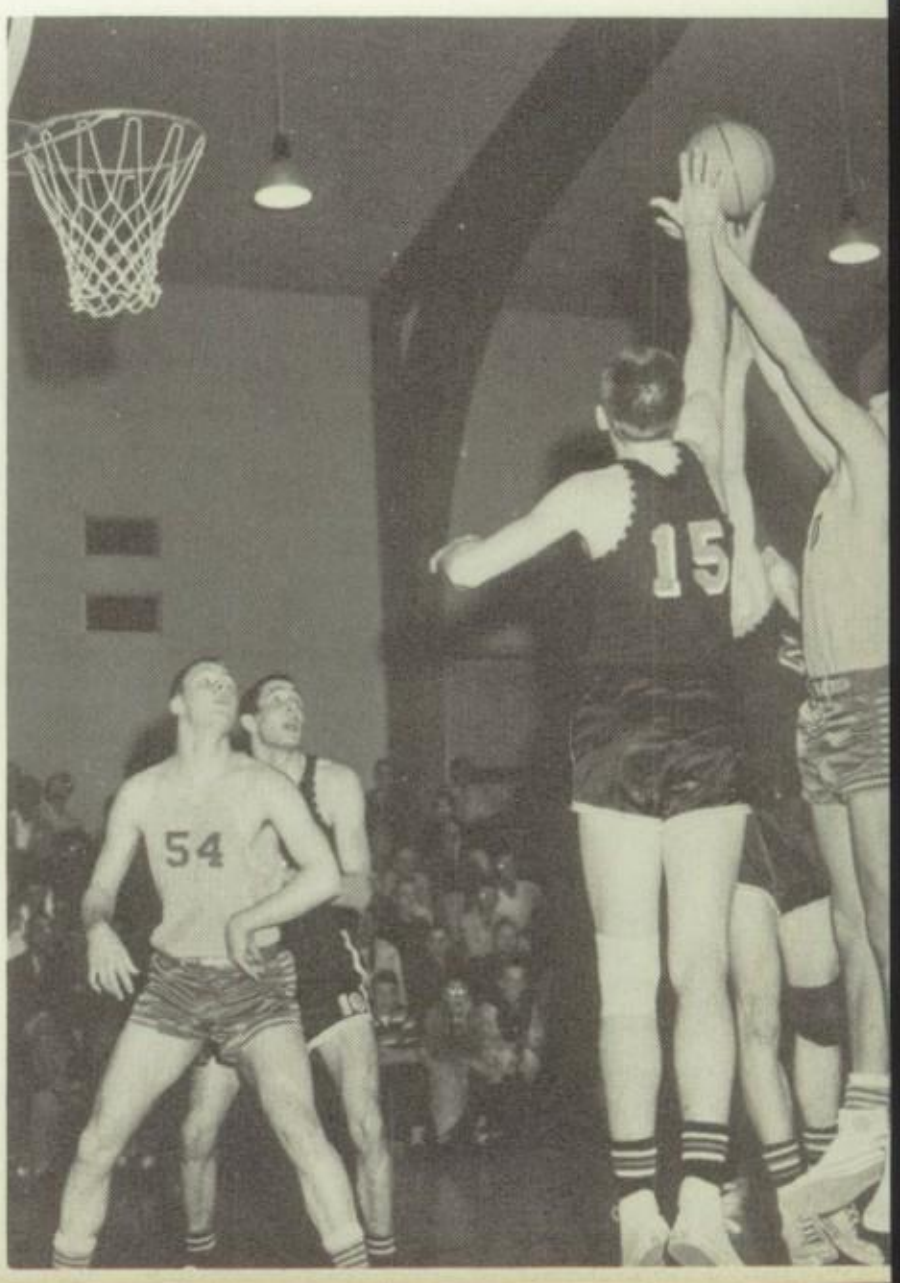
The Chippewas beat Alma in a low scoring conference game. Alma held a small lead at the beginning of the first period, but by the end of the period, the Chips had taken a 11-7 lead. In the second period both teams scored 8 points making the half-time score 19-15. In the third period both teams continued their defensive maneuvers as Manistee only scored 8 and Alma 6. In the fourth period the Chips were able to collect 16 points to Alma's 13, making the final score 43-34. Radtke and Ogilvie were high for the Chips with 14. Johnson added 11.

Ludington December 11

With the advantage of the home court and the shooting power of Harry Volkers and Jerome Lemire, the Ludington Orioles defeated the Manistee Chippewas 73-58. Although the Chips outrebounded the Orioles in the first period, Ludington took advantage of the fouls called on Manistee by connecting on their free throws. Ludington enjoyed period leads of 11-19; 27-40; 45-52; 58-73 in this hard fought battle. High scorers for Manistee were Ogilvie with 22, Radtke with 14, and Johnson with 11.

Mt. Pleasant December 18

The Manistee Chippewas downed the Mt. Pleasant Oilers in a conference game at the Armory. Manistee started out by jumping to an early lead, 12-3, which was shortened to 20-15 by the end of the first period. In the second period Manistee continued to outscore Mt. Pleasant, and at half-time the Chips enjoyed a 38-25 lead. In the third period the Oilers came back and outscored the Chips 14-9 showing that they were not going to give up easily. Early in the fourth period the Oilers pulled within 4 points of the Chips before the Chips went on to victory. Ogilvie set a school record with 35 points, followed by Radtke with 18.

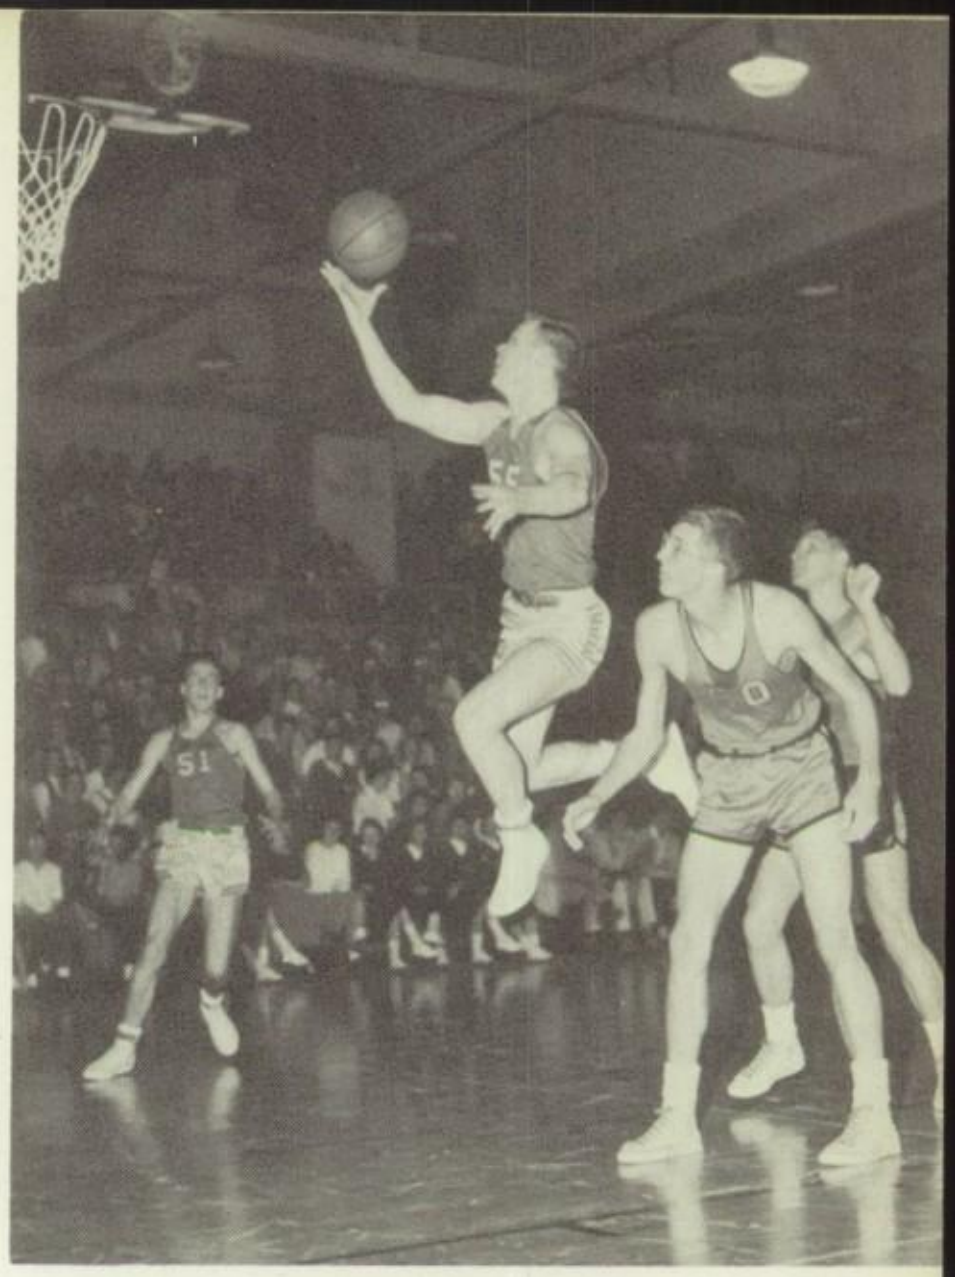


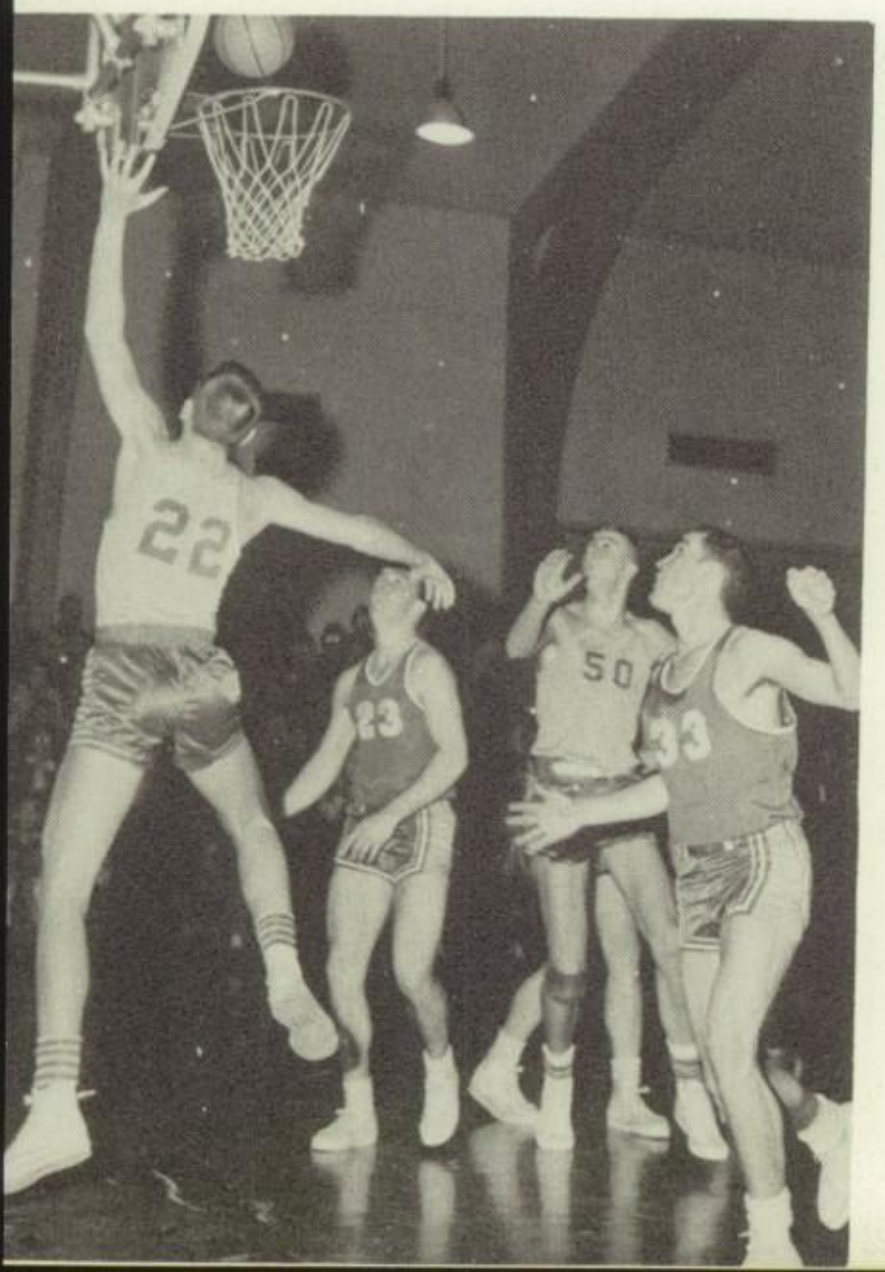
Cadillac Jan. 8

The Cadillac Vikings fell victim to the Manistee Chippewas 60-45 in an action packed game at the Armory. Manistee jumped to an early 10-4 lead which dwindled by the end of the first period when the score was tied 12-12. In the second period Cadillac held a brief lead, but by half-time Manistee was again ahead 28-26. In the second half Manistee's teamwork and drive proved fatal to Cadillac. Manistee outscored them 19-10 in the third period, and 13-9 in the final period. Ogilvie led the Chips scorers with 26 points followed by Radtke with 15.

Big Rapids Jan. 15

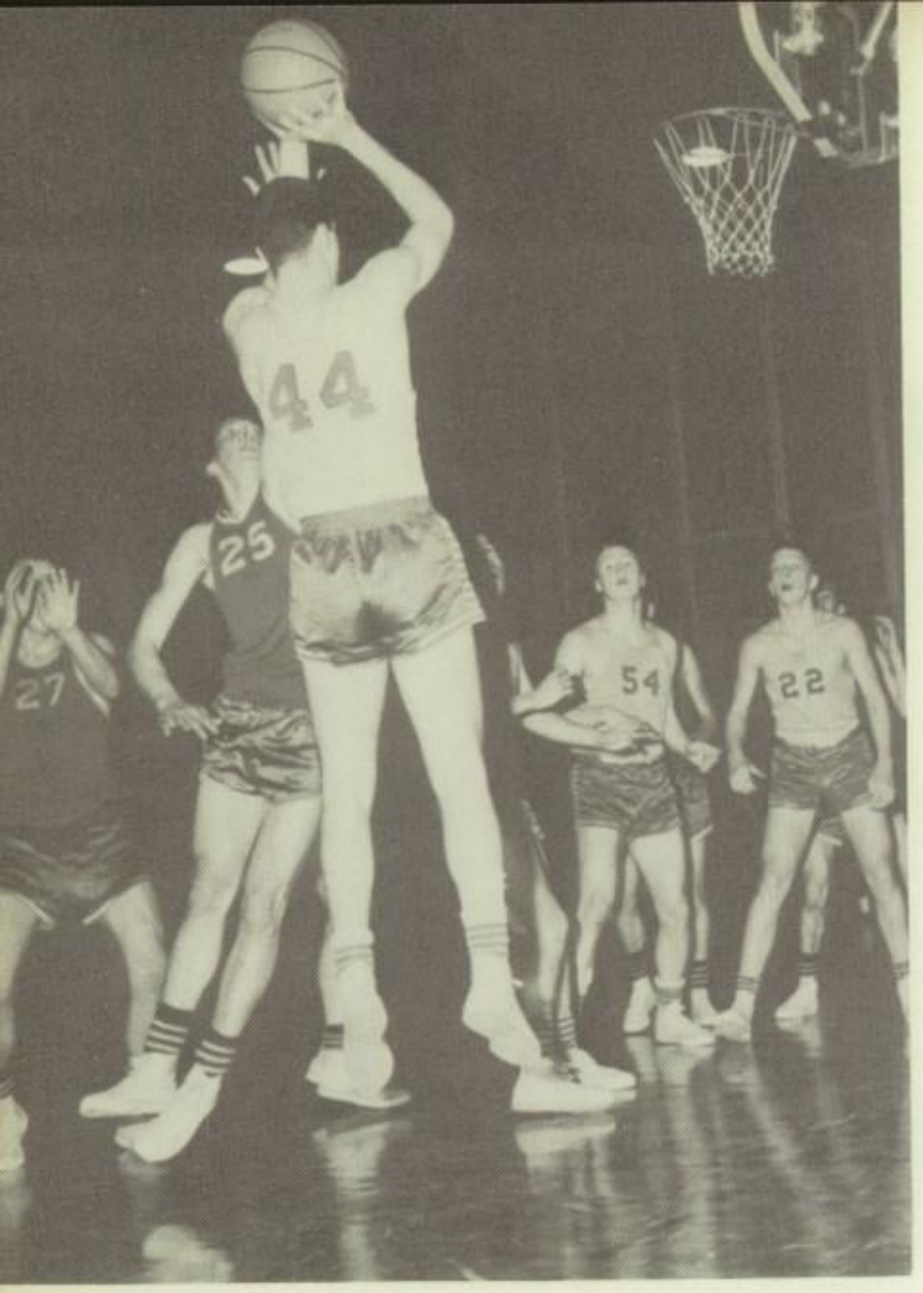
Manistee beat Big Rapids in another exciting game by a score of 55-36 at Big Rapids. As usual, the first half was a battle for Manistee as both teams took the lead several times. Midway in the second period Manistee pulled ahead and stayed ahead through the rest of the game. The first period the Chips and Cardinals tied at 10-10, but at halftime the Chips were ahead by a score of 23-15. In the second half it was all the way as the Chips lengthened their lead by outscoring B.R. 13-7 in the third period and 19-14 in the fourth. Ogilvie was high for the Chips with 18, followed by Dahlquist with 12.





Alma Jan. 22

Manistee started their second round of conference play by defeating Alma, 65-37. Alma, having lost two players, was considerably weaker than when the Chips met them earlier in the season. Manistee jumped to a first period lead of 15-7 and held the lead from then on. By halftime Manistee had increased their lead to a score of 29-15. Playing mostly reserves in the second half, Manistee was still able to outscore Alma 18-6 in the third period and 18-16 in the final period. Leading the Chip scorers was Ogilvie with 18 points.

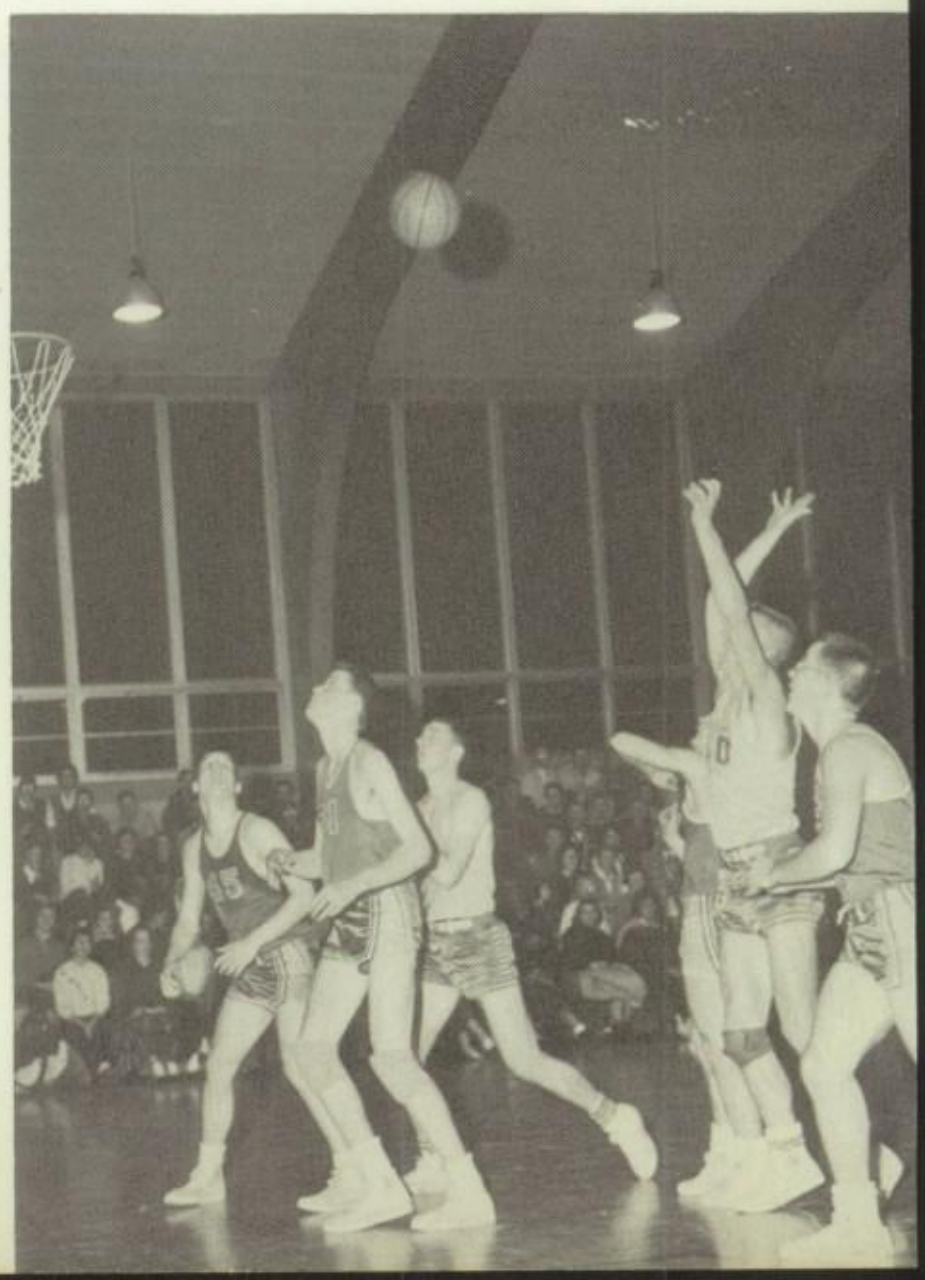


Ludington Jan. 29

The Manistee Chippewas lost a thriller to the Ludington Orioles, in "The Game of the Year." The Chips took the lead at the beginning with the Orioles only seeing the best end of the scoreboard once when they held a 11-10 lead during the first period. The final first period score saw Manistee holding a 16-14 edge. In the second period, Manistee, playing the best they have played all season, widened the gap to a 36-26 lead. As the third period started Ludington showed they were determined to win by cutting the lead down to a score of 49-48 for the first time since the first period. The lead then changed hands several times with Ludington having a 59-58 advantage with 6 seconds left in the game. At this point Ogilvie drove in for a layup and came down with a bloody nose. The old saying, "No blood-no foul," apparently was not true in this case as no foul was called. Ludington later made a free throw making the final score 60-58. High for the Chips was Ogilvie with 23. Johnson had 14, and Radtke had 11.

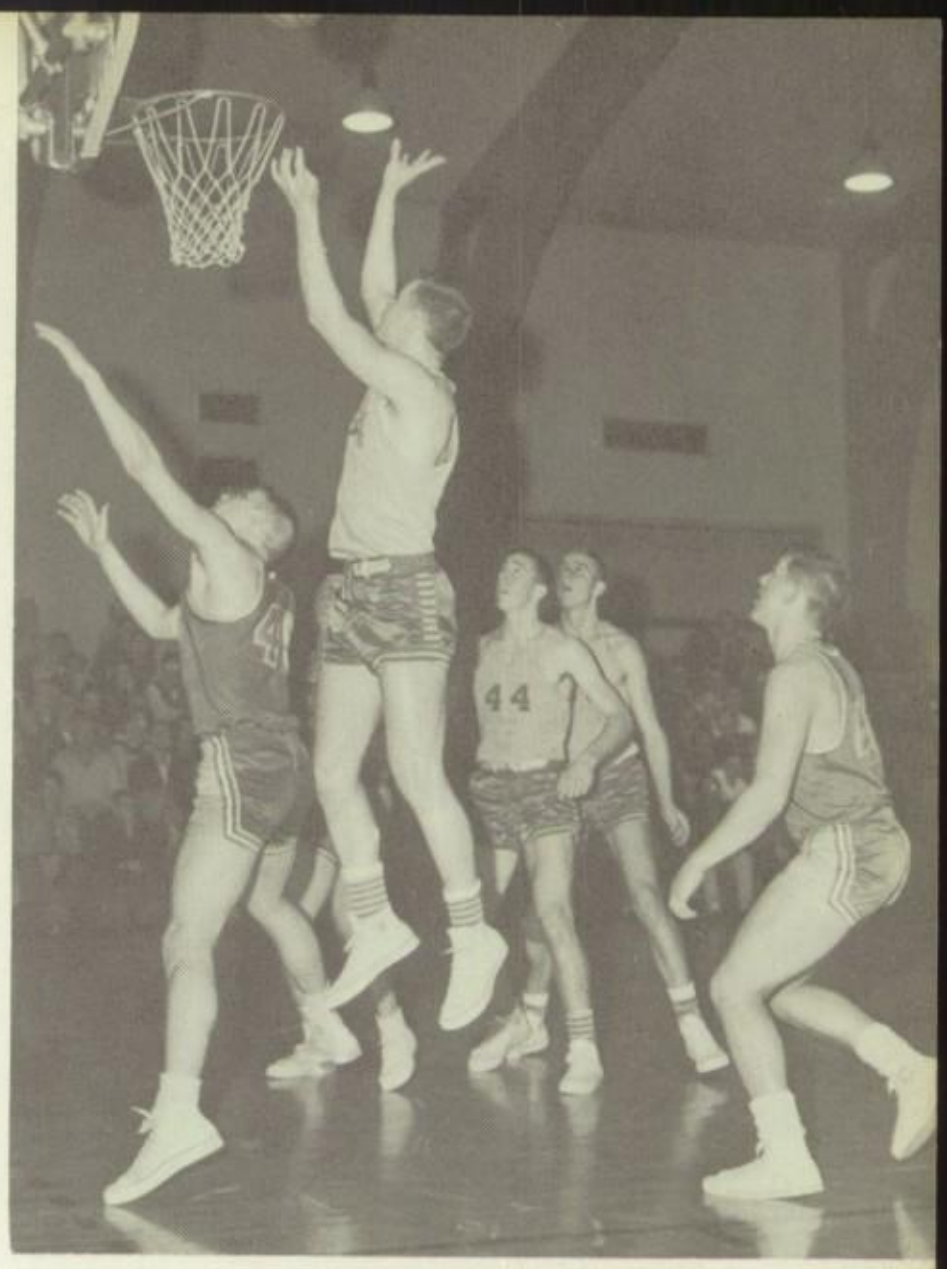
Mt. Pleasant Feb. 5

Manistee downed Mt. Pleasant 68-60. The Chips started off on the right foot jumping to an early 12-3 lead which was narrowed to 20-15 by the end of the first period. In the second period the Chips continued to outscore the Oilers as Manistee scored 18 to Mt. Pleasant 10. As the third period started the Oilers showed that they were not going to give up easily and fought back by outscoring the Chips 14-9. In the fourth period the scoring was even as both teams scored 21 points. Manistee's drive in the first half enabled them to win the game as the second half was well fought by both teams. High for the game was Ogilvie with 35 points which is a new school record. Radtke added 18 to aid the Chips victory.



Cadillac Feb. 12

The Manistee Chippewas easily rolled past the Cadillac Vikings, chalking up another conference win. The taller Chips held a supremacy on the boards which was a determining factor in the victory. The first period held some excitement as the score was only 10-8 in favor of the Chips, but from then on the Chips completely dominated the game. By halftime the Chips had opened up their lead to 35-24. In the third period the Chips continued to outscore the Vikings; the Vikings now trailed by a final score of 76-55. Ogilvie excelled his performance of the last week by scoring 38 points; Radtke had 12.



Big Rapids Feb. 19

The Manistee Chippewas beat the Big Rapids Cardinals, giving Manistee second place in the conference. As usual Manistee had a hard first period, as the lead changed hands five times with Manistee holding a small 13-11 lead going into the second period. The Chips outscored the Cardinals 26-5 in the second period, making the halftime score 39-16 in favor of the Chips. In the third period the Chips continued to outscore the Cardinals. In the fourth period the Chips were substituted freely, which allowed the Cardinals to come within 17 points of the Chips, as the final score was 63-46. Ogilvie had 24 points, followed by Lynch with 13.

The 1959-60 junior varsity basketball team ended their season with an eight win-seven loss record. Although the "little chips" lost several games by close margins they gained valuable game experience. The top scorers for the reserves were Ron Monroe, Carl Haase, and Jim Wisniski. The size and determination of this team promises to be a definite asset in the future years. With these assets the future Chippewas are sure to be strong contenders for the conference crown.

An enthusiastic group of fledgling journalists, true to the spirit of the Fourth Estate, often braved drifted and icy roads to take their news copy to the Keddi Printing Co. in Bear Lake.

Although their task was complicated by having the printer located in another town, the Herald has done an excellent job of maintaining school interest and sportsmanship. Mrs. Patricia Williams is faculty advisor.

Tri-Hi-Y Club had a very active year under the leadership of President Mary Marshall. During Homecoming they sponsored the sale of gold chrysanthemums. In December, everyone worked diligently on the bill to be presented at the Youth Legislature in Lansing. In December one of the biggest social successes of the year was the caroling party held with Hi-Y. In March, Tri-Hi-Y sponsored a Twirp Week where girls asked boys for dates. The state wide Y.M.C.A. project of a chapel for Seoul, Korea was completed this year with two dollars per member given by the Manistee's Tri-Hi-Y.

A small but enthusiastic drama club group staged a Christmas pantomine "Happy's Christmas" as a feature of the annual Christmas assembly. The group, who called themselves the "Chippewa Players" was eagerly received by the student body for their excellent mimicry. The one-act, written and staged by Mr. Brooks, was also presented to the Womens Society of one of the Manistee Churches.

Eighth grade members worked up and staged a skit for the pep assembly before the Ludington-Manistee game here. Throughout the year members met periodically to work on interpretive readings and one-act plays.

Promoting interest in girls sports activities and helping girls maintain good physical condition are the purposes of the largest club in M.H.S. The club, under the advisorship of Miss Beddie, has participated in a bowling tournament, performed a skit for a pep meeting, and held an unusual initiation (see opposite page).

Candidate for Queen

Homecoming 1959 was the most active in several years. In an assembly the class representatives and the two Senior candidates for Homecoming Queen were presented to the school. They were Donna Pearce, Eighth Grade, Sue Ann Paph, Freshman, Darlene Bark, Sophomore, Marcia Clark, Junior, and Ann Jeffries and Lynn Dlesk, Seniors. The student body elected Ann Queen. Finally the long awaited October ninth night arrived. The parade, sponsored by the S.C. and Hi-Y, encouraged a festive atmosphere throughout Manistee. School spirit was also bolstered by yellow chrysanthemums sold by Tri-Hi-Y members. The Senior float with its caged panther won the competition. During the intermission Ann was crowned as the band played "Sweetheart of Sigma Chi". After our team had won the victory with a final score of 38-0, the customary dance, sponsored by the Seniors, was held in the gym.

Hi Jane;
Hi Jane; Hi Jane;
Now I want to wish you lots
of luck but please do me a favor
and keep Janette out of trouble and have

want you to have fun this summer but be careful
and don't get hurt.

Best of luck to a real nice girl

is about the most beatiful city for statues and monuments you've ever seen or will ever see in all your life.

It looks like if I get the chance I might work on the boats this summer. I don't know but I think you have to be eighteen, although my dad said maybe not. If I do I can probably make about six hundred dollars this summer for school. I don't especilly care to go to school but I'm going to study real hard and if I don't get very good marks I'll join the Navy.

Well it look like I wrote more than one page and you'll have to read it like a chinaman at that. I did pretty good for not having anything to write about. Best wishes in your future years.

Love ya

Hi Jane

Well I'm sitting up in my room trying to think of something to write so I'll say that your junior year in high school is the most exciting. everybody raises more hair and has more fun there in your freshmen + sophomore year put together. The first semester of your senior year is the most boaring but when spring comes all the seniors liven up. (as you have probably noticed I've had thirteen years of school and still can't spell.)

Well I'm looking forward with great enthusiasm towards the prom. I hope you are too. I know I'm going to have a lot of fun prom night no matter what.

I don't know but it seems we've been having more fun together lately. I sure hope so anyway.

I know you kids probably won't get a skip - trip but if you ever get a chance to go to Washington D.C. or New York go. Even though their is the temptation for drinking there are so many beatiful and interesting sights to see and I don't mean just girls. Washington

Janie is a good little girl
She goes to church on Sunday
She prays to God for love and guidance
To flirt with the boys on Monday
